INTERESTS

MARKETING AND CREATIVE

Brand Storytelling, Visual Identity, Copywriting, Photography

"It's all in the details," my perspective and passion harmonize with that statement.

Whenever human beings use anything, there is user experience. Improving that is the objective of designing.

EXPERIENCE

DELOITTE USI

Design Consultant | Apr 2026 - Present

Design Analyst | Jul 2024 - Apr 2026

Collaborated closely with clients, developers, and cross-functional stakeholders across multiple workstreams within the healthcare industry. Designed and delivered a variety of polished, high-quality digital products within established timelines, several of which are successfully deployed and live.

SAMSUNG RESEARCH INSTITUTE

User Experience Intern | Jan 2024 - Jul 2024

Part of the Multimodal UX team — responsible for designing different modals for interaction, with voice being our primary focus as a modal.

TROT STUDIOS

Visual Designer (Freelance) | May 2024 - Jul 2024

Assisted with client product UI and developed client-facing pitch decks.

USEROLOGY

Product Design Intern | Apr 2023 - Jul 2023

Responsible for designing end-to-end features, talking to prospects and the existing user base to understand their problems to work on new features, collaborating with engineering teams, working alongside the founding team, and owning the entire design system of Userology.

UNSOLVED

User Experience Intern | Jun 2022 – Nov 2022

Worked on end-to-end user flows for mobile & web applications and their website that was deployed in real time.
